

# St. Paul's Servant Teams

Are you interested in Outreach and Missions? Caring Ministry? Social Justice issues? Are you interested in finding a group of like-minded St. Paul members for hands-on service and fellowship?

As disciples of Jesus we are called to give of ourselves. Here at St. Paul's, we are trying to provide further opportunity for you not only to participate in mission but to build community within our congregation as we serve together. To that end, we are creating small groups that will engage in mission together. The teams will be formed based on interest and on where you are located in the Houston area. If you would like to participate, we need to know just a little more about you!

**Please complete this form and return it to the church to the attention of Rev. Emily Chapman.**
