Pastor's Message

When the Feast of Pentecost came, they were all together in one place. Without warning there was a sound like a strong wind, gale force — no one could tell where it came from. It filled the whole building. Then, like a wildfire, the Holy Spirit spread through their ranks, and they started speaking in a number of different languages as the Spirit prompted them.

— Acts 2:1-4; *The Message*

On June 5 we celebrate Pentecost in the church. It is one of the principal days of the Christian year, celebrated on the 50th day after Easter. The Greek word *pentecoste* means 50th day.

Pentecost is the day on which the Christian church commemorates the coming of the Holy Spirit upon the apostles and others assembled in Jerusalem. It marks the beginning of the Christian church and the proclamation of its message throughout the world and is often referred to as the birthday of the church. The liturgical color for Pentecost is red. Because it was the custom in the early church for persons to be baptized on Pentecost, they would wear white robes or clothing that day.

Our time at Annual Conference reminded me of our call to be disciples of Jesus and that the power of the Holy Spirit is that which enables us to do the work to which we are called. We remember how we are of one mind, one family, proclaiming to our community the good news of Jesus Christ.

Peace,

Rev. Dr. Jeff McDonald, Senior Pastor

Art Tent Modified for Summer

Art Tent activities have been modified for the summer due to heat safety concerns. Rather than working on art directly with Emergency Aid Coalition clients in the Abraham Station parking lot, clients will be offered Art Kits that will include art supplies and hopeful messages. This approach will be a pilot during June with the anticipation of continuing it through August.

Volunteer orientation and preparation for the fall Art Tent will be conducted in September. Questions? hspaw@stpaulshouston.org.

Donna V. Adair to Retire July 10

In 1985 Donna V. Adair began editing St. Paul's edition of the now-defunct *United Methodist Reporter (UMR)* as a volunteer substitute for the ailing editor Bass Pyburn. That volunteer position morphed into her becoming the church's first full-time Director of Communications, though the newsletter has always been the core of her work.

The newsletter also morphed over those years — from one page within the full-sized *UMR* newspaper published in Dallas dedicated to news of the United Methodist Church throughout the world to an internally published weekly to this now monthly newsletter, all augmented since 2010 by a weekly e-letter, the *Chimes*.

As communications channels have proliferated, St. Paul's communications efforts are further augmented today by others through several forms of media.

Her own responsibilities beyond that “core” newsletter also have changed over the years, many directed by her desire expand into the community with publicity plus relationships that brought people into St. Paul's in ways not normally associated with church, such as participating in Museum District Days; hosting authors such as Anne Lamott and Colson Whitehead in conjunction with Brazos Bookstore; and, upon learning that near-endangered chimney swifts nest in St. Paul's chimney as they migrate through Houston, partnering with the Audubon Society to host Swift Nights Out.

Since April 2017 she also has worked with Norman Mahan to produce a compilation of the week's Lectionary lessons illuminated by art, posting it to the church's website calendar with that Sunday's service information. This she will continue as long as Norman is amenable. And, after COVID-postponed visits with her daughters in El Paso and Perth, she will upload and organize the many pictures of St. Paul's activities she has taken over the years, making them more easily accessible by others.

A celebration of her work will be held on Sunday, July 10, at 12:15 pm. To give a love offering, place your gift in the designated receptacle at the reception or go to www.stpaulshouston.org/give.

Primetimers: Update on The United Methodist Church by Rev. Dr. Jeff McDonald

Thursday, June 9 | 11 am | Activity Center

TO RSVP, EMAIL PRIMETIMERS@STPAULSHOUSTON.ORG BY JUNE 7

Policy decisions affecting The United Methodist Church are made during the quadrennial meeting of the denomination, and steps emerging from or leading up to those decisions are made during the annual meeting of the conferences worldwide.

After decades of intensifying debate and defiance of church bans on same-sex weddings and “self-avowed practicing” gay clergy, it was anticipated that the 2024 General Conference — postponed from 2020 due to COVID — would face multiple proposals for denominational separation. The May 1, 2022, launch of the theologically conservative Global Methodist Church has affected that scenario.

Fresh from the annual meeting of the Texas Annual Conference (May 30-June 1), on June 9 St. Paul's Senior Pastor Rev. Dr. Jeff McDonald will present to the Primetimers an update on the current situation within The United Methodist Church, particularly as it affects St. Paul's.

The meeting begins at 11 am in the Activity Center (aka Gymnasium) on the second floor of the Sanctuary Building, and it is open to all. To remain for the \$10 lunch, please RSVP by Tuesday, June 7, to primetimers@stpaulshouston.org or call 713-528-0527.

Dr. McDonald also will present a Texas Annual Conference Recap to the Living Faith Sunday School class on Sunday, June 5, at 9:45 am in J-220. All are invited.

St. Paul's Among Thousands at Interfaith Rally

In the wake of the shooting at Robb Elementary School in Uvalde, St. Paul's people joined with the Moms Demand Action and many other groups at Discovery Green to rally across the street from the National Rifle Association's Annual Meeting occurring in the George R. Brown Convention Center.

As noted in the letter from St. Paul's pastors in the May 29 *Chimes* e-letter: "Our United Methodist Social Principles call us to advocate for local and national laws that would prevent and reduce gun violence; this would include measures such as universal background checks. We are also encouraged to be a part of ecumenical and interfaith partners for gatherings and rallies to bring awareness to issues surrounding gun violence."

The gathering at St. Paul's began with the tolling of a change-ringing bell commemorating the death of each of the Uvalde victims.
